§ 131D-40. Criminal history record checks required for certain applicants for employment.

(a) Requirement; Adult Care Home. – An offer of employment by an adult care home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. An adult care home shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, an adult care home shall submit a request to the Department of Public Safety under G.S. 143B-939 to conduct a State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. Notwithstanding G.S. 143B-939, the Department of Public Safety shall return the results of national criminal history record checks for employment positions not covered by Public Law 105-277 to the Department of Health and Human Services, Criminal Records Check Unit. Within five business days of receipt of the national criminal history of the person, the Department of Health and Human Services, Criminal Records Check Unit, shall notify the adult care home as to whether the information received may affect the employability of the applicant. In no case shall the results of the national criminal history record check be shared with the adult care home. Adult care homes shall make available upon request verification that a criminal history check has been completed on any staff covered by this section. All criminal history information received by the home is confidential and may not be disclosed, except to the applicant as provided in subsection (b) of this section.

(a1) Requirement; Contract Agency of Adult Care Home. – An offer of employment by a contract agency of an adult care home licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned upon consent to a criminal history record check of the applicant. If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. A contract agency of an adult care home shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Within five business days of making the conditional offer of employment, a contract agency of an adult care home shall submit a request to the Department of Public Safety under G.S. 143B-939 to conduct a State or national criminal history record check required by this section, or shall submit a request to a private entity to conduct a State criminal history record check required by this section. Notwithstanding G.S. 143B-939, the Department of Public Safety shall return the results of national criminal history record checks for employment positions not covered by Public Law 105-277 to the Department of Health and Human Services, Criminal Records Check Unit. Within five business days of receipt of the national criminal history of the person, the Department of Health and Human Services, Criminal Records Check Unit, shall notify the contract agency of the adult care home as to whether

the information received may affect the employability of the applicant. In no case shall the results of the national criminal history record check be shared with the contract agency of the adult care home. Contract agencies of adult care homes shall make available upon request verification that a criminal history check has been completed on any staff covered by this section. All criminal history information received by the contract agency is confidential and may not be disclosed, except to the applicant as provided by subsection (b) of this section.

(b) Action. – If an applicant's criminal history record check reveals one or more convictions of a relevant offense, the adult care home or a contract agency of the adult care home shall consider all of the following factors in determining whether to hire the applicant:

- (1) The level and seriousness of the crime.
- (2) The date of the crime.
- (3) The age of the person at the time of the conviction.
- (4) The circumstances surrounding the commission of the crime, if known.
- (5) The nexus between the criminal conduct of the person and the job duties of the position to be filled.
- (6) The prison, jail, probation, parole, rehabilitation, and employment records of the person since the date the crime was committed.
- (7) The subsequent commission by the person of a relevant offense.

The fact of conviction of a relevant offense alone shall not be a bar to employment; however, the listed factors shall be considered by the adult care home or the contract agency of the adult care home. If the adult care home or a contract agency of the adult care home disqualifies an applicant after consideration of the relevant factors, then the adult care home or the contract agency may disclose information contained in the criminal history record check that is relevant to the disqualification, but may not provide a copy of the criminal history record check to the applicant.

§ 131D-45. Examination and screening for the presence of controlled substances required for applicants for employment in adult care homes.

(a) An offer of employment by an adult care home licensed under this Article to an applicant is conditioned on the applicant's consent to an examination and screening for controlled substances. The examination and screening shall be conducted in accordance with Article 20 of Chapter 95 of the General Statutes. A screening procedure that utilizes a single-use test device may be used for the examination and screening of applicants and may be administered on-site. If the results of the applicant's examination and screening indicate the presence of a controlled substance, the adult care home shall not employ the applicant unless the applicant first provides to

the adult care home written verification from the applicant's prescribing physician that every controlled substance identified by the examination and screening is prescribed by that physician to treat the applicant's medical or psychological condition. The verification from the physician shall include the name of the controlled substance, the prescribed dosage and frequency, and the condition for which the substance is prescribed. If the result of an applicant's or employee's examination and screening indicates the presence of a controlled substance, the adult care home may require a second examination and screening to verify the results of the prior examination and screening.

(b) An adult care home may require random examination and screening for controlled substances as a condition of continued employment. If the adult care home has reasonable grounds to believe that an employee is an abuser of a controlled substance, the adult care home may require that employee to undergo examination and screening for controlled substances as a condition of continued employment.

(c) An adult care home and an officer or employee of an adult care home that, in good faith, complies with this section is not liable for the failure of the adult care home to employ or continue the employment of an individual on the basis of the results of an examination and screening of the applicant or employee for controlled substances.

(d) An entity and officers and employees of an entity that perform controlled substance examination and screening in accordance with Article 20 of Chapter 95 of the General Statutes shall be immune from civil liability for conducting or failing to conduct the examination and screening if the examination and screening are requested and received in compliance with this section and with Article 20 of Chapter 95 of the General Statutes.

(e) The results of an examination and screening conducted at the request of an adult care home in accordance with this section are confidential and not a public record under Chapter 132 of the General Statutes. The adult care home shall maintain the confidentiality of all information related to the examination and screening of an applicant for employment or an individual currently employed by the adult care home.

(f) The adult care home shall pay expenses related to controlled substance examination and screening pursuant to this section, except examinee-requested retests. The examinee shall pay all reasonable expenses for retests of confirmed positive results. (2013-167, s. 1.)
